

Spirituality

At Stoborough we encourage the pupils to inquire into spirituality at a variety of levels. We provide opportunities for children to explore challenging questions and to think deeply about themselves, others, the world and beyond...

Self

This can be compared with looking in a mirror. Look at yourself in a situation... how would you react, what would you say or do? These questions often arise in circle time during PHSE and of course in RE.

Others

This can be compared to a door. Children are encouraged to 'step out,' of their comfort zone and think about how others feel /empathy. At Stoborough we raise a lot on money for charities e.g. Wa Wa, Mind, The British Heart Foundation. We understand the importance of using Fair Trade products.

The World

This is a window on the world. We can wonder at the beauty, technology, art, music, scientific advances etc all around us. We may work outside, visit places of interest and celebrate the achievements of inspirational people.

Beyond

This is where we consider links to the divine. We may take a moment to be still and reflect or pray.
