

The Collective Worship Group created the prayer space this half term. We are thinking about our school values in worship and these are the activities we thought would illustrate them...

Honesty ...Sorry Strings...be honest and say sorry for something you have done wrong. (Keira)

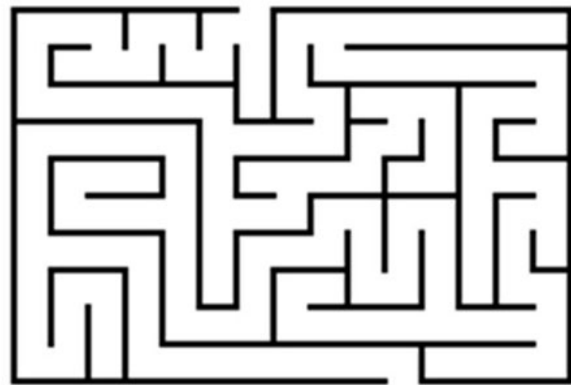

Fairness... Colour a flower with your friend ...be fair and share the pens and the petals. Write your names on the flower. Fold up the petals and watch your friendship bloom in the water.

Fairness + sharing = friends (Izzy)

Thoughtfulness...trace your finger through a maze (Zoe)

Feely box –can you guess what is inside? Think about what would it be like to be blind? (Felicity)

Who has been kind to you this week? Make a plasticine person as you think of their kindness. (Leah)
