

## Prayers for The World

This Prayer Space was inspired by Mr and Mrs Harris' worship session about the children in South Sudan.

The eight bowls, seven with rice in, remind us that one in eight people are hungry in the world. Let the rice run through your fingers as you say a prayer for those who are in need.

We can write prayers for different places and people in the world on the map.

In Sudan the children can only go to school if they have shoes; something we take for granted. We wrote messages of hope on the footprint shapes.

Ideas for fundraising were put in the gift box.
