- 1) Giles Wade Chair of Governors attended our meeting. He explained his role.
- 2) Safeguarding- Pupil Governors were able to talk about who is in school that helps to keep them safe.
- 3) Being safe at school. We want to find out about how children feel about safety at school. We have made a map of the school. We would like you to give every child in your class a map. Using coloured dots we would like them to make some marks on the map using the key below. Maps were distributed to each year group.

**RED**- I do not feel safe here

We will then be collecting the maps in and collating the information.
