

Pupil Governor Minutes 14th July 2022

1) Houses- Reward system

A house system for pupils was discussed. Pupil Governors all voted to have a house system. It was agreed that there should be four houses.

Names of houses were discussed. Pupil Governors liked local area names and beaches.

Example of proposed names- Furzebrook, Arne, Creech, Tyneham

Action- Mrs Spicer to speak to SLT about proposed names and then confirm decision with children in the Autumn Term.

A discussion took place as to whether siblings were put in the same house. There was a mixed response from the pupil governors, some liked this idea and some were undecided.

A discussion also took place about whether children remained in their houses throughout their time at Stoborough or whether they would change year after year. Mrs Spicer explained that changing year after year would mean a lot of admin work.

2) Thank you!

Mrs Spicer thanked Pupil Governors for their commitment to the role throughout the year. It was celebrated that the Pupil Governors have definitely made a difference to our school this year as well as to the lives of others through the charity work that they have organised.
