

Pupil Governor Minutes 26th March 2021

1) Badges!

All pupil governors were finally given their pupil governor badges. This has been delayed due to the recent lockdown. Pupil governors will now be able to wear their badge with pride.

2) Playground equipment

Pupil governors wrote a wish list of playground equipment they would like. It was decided that once the new financial year starts Mrs Spicer will put in an order for some new toys/equipment. It was decided that we will need to talk to the school about the equipment so it is looked after and played with properly.

ACTION- Pupil Governors to lead a worship on this virtually in the summer term.

ACTION- Equipment to be ordered and purchased.

3) School Vision

Mrs Spicer explained that on Monday the teaching staff and some governors held a meeting to talk about our school vision. This will be updated and the staff and governors would like to hear the children's opinions.

ACTION- Our next meeting will be about the vision.

Date of next meeting- Friday 23rd April 2021 9:15am
