

Year 1: Who made the world?

World Faith: Christianity

Key Concept: Creation

What should we know?

Christians believe:

- The Bible tells the story of God creating the world.
- God has given the world to people to look after.
- We are all caretakers of our wonderful world.
- We should give thanks to God for his creation and the Harvest Festival is the time to do this.

What should we be able to do?

- ✓ **Retell** the story of Creation for Genesis 1:1-2.3
- ✓ **Recognise** that creation is the beginning of the 'big story' of the bible
- ✓ **Say what** the story tells Christians about God, Creation and the world.
- ✓ **Give an example** of what Christians might do to say thank you
- ✓ **Ask questions** about living in an amazing world.

What words should we understand and be able to use?

Creation	God's act of calling into being all things out of nothing.	Genesis:	Healing the world.
Harvest Festival	a Christian church service held every autumn to thank God for the harvest.	Caretaker	A person who takes care of something
