

<b>Year group:</b> 1	<b>Term:</b> Autumn 1	<b>Unit:</b> Improving Mouse Skills
-------------------------	--------------------------	--

<b>Must have knowledge:</b> <ul style="list-style-type: none"> <li>- To know where keys are located on a keyboard</li> <li>- To know what to 'click' on a mouse means</li> <li>- To know what 'drag' means when using a mouse</li> </ul>	<b>Online Safety:</b> -To know that we keep personal information private
--	---

**Key Vocabulary:**

**Log on:** To put in a username and password unique to you, to access your personal account.

**Username:** A unique name or email address for your account.

**Password-** A secret word made up of letters, numbers and symbols.

**Mouse-** A handheld device that is used to move things around on the computer screen

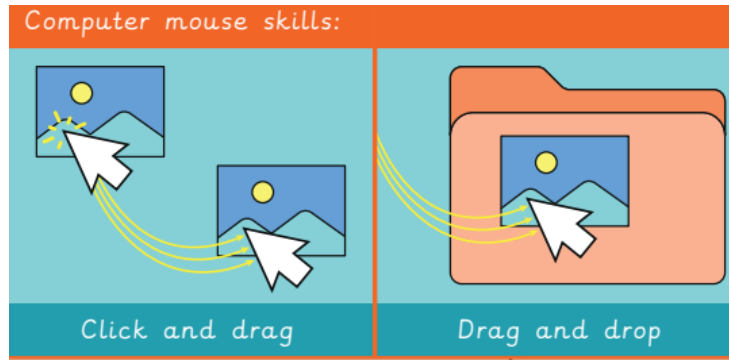

**Log off:** To lock your account.

**Key skills**

- To log in to a computer and log off
- To click and drag using the mouse
- To drag and drop using the mouse

*Computer mouse skills:*

The diagram shows two scenarios. On the left, a mouse cursor clicks on a picture icon and then moves it to another location, labeled 'Click and drag'. On the right, a mouse cursor clicks on a picture icon inside a folder and then moves it to a different folder, labeled 'Drag and drop'.

The children will use Sketch Pad to create digital images, using the mouse skills of clicking, dragging and dropping.
