

Year 2: Why does **Easter** matter to Christians?

World Faith: Christianity

Key Concept: Salvation

What should we know?

Christians believe:

- Jesus showed that he was willing to forgive all people, even for putting him on the cross.
- Jesus rose again, giving people hope of a new life.
- Jesus builds a bridge between God and humans.

What should we be able to do?

- ✓ **Retell** stories of the Holy Week and Easter from the bible and make links with the idea of salvation.
- ✓ **Give examples** of how Christians show their beliefs about Jesus as saviour in church worship.
- ✓ **Ask questions** about whether the text has something to say to them (e.g. about whether forgiveness is important).

What words should we understand and be able to use?

Easter	The Christian festival that celebrates the resurrection of Jesus	Salvation	saving
Incarnation	God in the flesh	Forgiveness	the action of forgiving
