

Year 4: What do Christians learn from the **Creation Story**?

In KS1:

Christians believe God created the world.

And that God has given the world to people to look after.

That creation is the beginning of the 'big story' of the bible.

Christians give thanks to God at harvest time.

Key Concept: CREATION/FALL

What should we know?

Christians believe:

- God the creator cares for the creation, including human beings.
- As human beings are part of God's creation, they do best when they listen to God.
- The bible shows that god wants to help people to be close to him and he gives them guidelines on good ways to live. (Such as Ten Commandments)
- God made our wonderful world and so we should look after it.

What should we be able to do?

- ✓ **Explain** clearly the link between Genesis 1 and what Christians believe about God and creation.
- ✓ **Describe** what Christians do because they believe God is creator.
- ✓ **Discuss** what the story of Adam and Eve might show about human nature
- ✓ **Describe** how and why Christians might pray to god, say sorry, forgive and ask **forgiveness**.
- ✓ **Make links** between what stories in the bible say about human beings and their own ideas and about how people should behave.

What words should we understand and be able to use?
