

Dear Parents and Carers

We are very excited to offer our after-school forest school club for the Summer term.

The club will be running from Wednesday 15th April until Wednesday 20th May. The session will run from 3.15 – 4.15pm and the cost of the 6-week block will be £35.00.

We are a small group of level 3 Forest school leaders (teachers and very experienced leaders) who work with over 15 Dorset schools, organisations and festivals to provide Forest School, Yoga and Mindfulness sessions. These can be provided on a separate entity so we are providing purely Forest school for Stoborough.

Emma will be running your sessions throughout the year, with Claire as a cover should it ever be needed. Emma works with RSPB at Arne and is very experienced at running creative sessions in schools that the children will love, allowing creativity from the children with guidance from Emma as the leader to extend children in the right direction.

The club can be booked on the link below:

[Stoborough After School Club Summer 1 - Booking by Bookwhen](#)

We look forward to seeing you at the club!

This is Emma and Claire
