3) Causeway Speed Limit Campaign – “30 not 40!”

The group discussed continuing the campaign to reduce the speed limit on the causeway from **40mph to 30mph**.

Pupil Governors agreed this is still very important for everyone's safety and we will consider ways the campaign can be continued.

4) Children in Need

Mrs White and the governors began sharing ideas for **Children in Need** activities. Everyone will have a think and ask their classes for fundraising suggestions to bring to the next meeting.

The group also talked about other charities we might support throughout the year.

5) Fundraising Ideas

Joe mentioned how much he enjoyed the **bake sale using apples from the school apple tree** and suggested we plan similar events again this year.

Everyone thought this was a great idea and agreed to collect more fundraising suggestions from their classes.
