

Year Group	Autumn	Spring	Summer
Reception	Using a computer	All about instructions	Exploring hardware
1	Computing systems: Using computers 1	Programming 2: Bee-Bots	Data handling: Introduction to data
2	Computing systems: Using computers 2	Programming 2: MakeCode	Creating media: Digital designers 3
3	Programming: Scratch	Computing systems: Connecting devices	Data handling: Exploring branching databases
4	Programming 1: Further coding with Scratch	Computing systems and networks: Connecting networks	Creating media: Creating digital images
5	Programming 2: BBC micro: bit	Computing systems: Websites, search and storage	Data handling: Exploring spreadsheets
6	Programming: Exploring Python	Computing systems and networks: Understanding hardware, storage and security	Creating media: Creating a multimedia project
